EXPERIENCE

E&E Publishing, *ClimateWire* – Reporter, Washington D.C. | June 2011 – Present

- Write breaking news and feature stories on the science, business and politics of energy and environmental issues with a focus on clean technology and climate change.
- Cover natural disasters, breakthrough academic research, federal and state legislation, federal regulations and industry news in online media platforms for both general and professional audiences.
- Organize and co-author articles with peers; develop and maintain sources in government, private industry, non-profit organizations and research groups; public speaking and event moderation.
- Identify compelling analytical story series with accompanying multimedia material as well as pitch and conduct independent enterprise reporting projects, including in Israel, Greece, Germany and the Maldives.
- Produce syndicated content for major media outlets, including *The New York Times* and *Scientific American*.

Columbia Journalism Review – Freelance writer, Washington D.C. | Aug. 2011 – Jan. 2012

- Contributed to the News Frontier Database, a series of reported stories on digital media startups.

CBS News, *60 Minutes* – Intern, New York, N.Y. | Jan. 2011 – May 2011

- Identified sources, researched and fact checked content and produced b-roll footage for numerous segments, including “Disaster in Japan” and “The ascent of Alex Honnold.”
- Received Broadcast Associate credits for “Wael Ghonim and Egypt’s New Age Revolution” and “The FBI’s Lin Devecchio and ‘The Grim Reaper.’”

The Upstream Journal – Contributing Writer, Montreal, Q.C. | June 2009 – Jan. 2011

- Published feature stories on human rights and social justice, including an exposé on orphanage corruption in Ghana and a Q&A on global issues with former Canadian Prime Minister, The Honorable Paul Martin.

Rogers Publishing, *LOULOU Magazine* – Intern, Montreal, Q.C./Toronto O.N. | May 2007 – June 2008

- Contributed to Beauty section and special editions, including the 2007 Gift Guide and 2008 Shopping Guide.
- Organized, promoted and ran events and contests; prepared budgets and creative content for sales team.

The McGill Daily – Reporter, McGill University, Montreal, Q.C. | Jan. 2006 – May 2010

- Covered environmental issues, local politics and human-interest stories as a general reporter.
